## Double Wall - Insulated - No Sleeve required - For Hot Drinks

PrintedCups's Best Selling Product is the **Double Wall** Insulated Cup.

The second outer layer has many advantages when compared to single wall:

- Extra Insulating for heat protection from Hot Drinks.
- No Need for a sleeve which hides the branding and is awkward to hold.
- Money saver as sleeves are not required.
- Increase strength and rigidity making the product safer to hold.
- Can be finished in gloss or matt effects.
